

Non-Executive Director Roles - *Chair / Government Relations / Aged Care*

The Board of Bankstown Canterbury Community Transport (BCCT) currently consists of dedicated non-executive directors, each bringing unique skills and experience that enhance the organisation's mission. BCCT is now entering an exciting and transformative phase, with new opportunities for growth and increased community impact.

As we navigate a rapidly evolving regulatory landscape and pursue our strategic goals, BCCT seeks to expand our volunteer Board with additional Non-Executive Directors who can contribute specialised skills in key areas.

We are now inviting expressions of interest from individuals who possess skills, attributes, and experience in any of the following areas:

- **Leadership and Governance:** As Chair, guide and inspire the Board during growth and strategic development. Experience leading not-for-profit boards or committees is highly valued.
- **Government Relations:** Advocate on behalf of BCCT, leveraging expertise in public policy and government relations to secure funding, shape policy, and strengthen partnerships with key stakeholders.
- **Aged Care Expertise:** Provide strategic oversight and direction, ensuring BCCT continues to meet the needs of older Australians—experience in aged care and a passion for improving accessibility.

BCCT operates with a skills-based board structure, and we encourage candidates from diverse backgrounds who can offer a fresh perspective to help us achieve our objectives and enhance the services we provide to the community.

Why Join Us?

While these roles are voluntary, you will have the opportunity to impact the future of community transport services significantly. By contributing your expertise, you will play a vital role in shaping BCCT's strategic direction, enhancing its sustainability, and ensuring its continued support for vulnerable communities. Reimbursement for some related expenses is provided.

About BCCT

Since 1984, BCCT has provided affordable and accessible transport services to residents in the Canterbury Bankstown area with specific needs, including age-related frailty, permanent disability, or temporary physical impairment. Through a fleet of vehicles, we offer transport for shopping, social outings, and medical appointments, ensuring our community remains connected and supported.

Apply Now

We welcome applications from individuals with a passion for making a difference and expertise in governance, government relations, or aged care. If you are ready to contribute to BCCT's success and future growth, please submit your resume and a brief cover letter outlining your interest to John Murray and Tony Francis, Chair, Bankstown Canterbury Community Transport, via email at john.murray@bcct.org.au and tony.francis@bcct.org.au.
