

## MESSAGE

from the CEO

As we begin a new year, I want to thank everyone for the warm welcome I've received since joining BCCT. It's been wonderful getting to know our team, clients, and the extended community, and seeing firsthand the difference that accessible, reliable transport makes in people's lives.

The start of 2026 brings a fantastic range of opportunities and experiences. Our team has planned an exciting calendar of activities and outings, from local favourites to special trips, including visits to the upgraded Sydney Fish Markets, Mount Annan Botanic Gardens, and our first-ever matinee

theatre event. These experiences help create friendships, spark conversations, and remind us of the joy that comes from staying connected.

We're also focused on implementing the new Aged Care reforms, ensuring everything we do reflects the rights, respect, and quality standards our clients expect and deserve. Behind the scenes, we're updating systems, training staff, and listening to your feedback so we can continue delivering the safest and most responsive service possible.

Here's to a wonderful year ahead, filled with fun times, good health, happiness, and connection.

*John Ireland*

## Social Outings

# CANBERRA OVERNIGHT TRIP

In September, we had our very first trip to the nation's capital!

We stopped off in Goulburn for lunch and spotted the hard-to-miss Big Merino. Following lunch, we continued on the highway until we reached the wonderful sights of Floriade. So much work had gone into creating some impressive displays of brilliantly coloured tulips.

Day 2 of our trip took us on a tour of Parliament House. Very informative with a wonderfully enthusiastic guide who encouraged us to make our way to the roof for some spectacular views!

As always, everyone made the trip a success, and we look forward to seeing you on future overnight trips!

Your suggestions are always welcome and help us put together a calendar of events for everyone to enjoy.

### — Introducing — John Ireland

CEO, Bankstown Canterbury  
Community Transport

BCCT is pleased to welcome John Ireland as our new Chief Executive Officer. John brings over two decades of executive leadership experience across local government, disability services, and commercial sectors. Most recently, he served as CEO of Interchange Shoalhaven Ltd., where he led a major financial and cultural turnaround.

John's career reflects a deep commitment to community impact, strategic governance, and operational excellence. His leadership has seen improvements across diverse community-facing services, and his commercial background includes national roles in sales and business development.

With a strong belief in the power of accessible transport to reduce social isolation and foster independence, John is excited to lead BCCT into its next chapter of growth and innovation.

# HOW BOOKINGS WORK

We love that so many of our outings are popular; it means we're doing something right, hey?

Unfortunately, it can also mean some clients miss out on trips they'd like to take, finding themselves on a Standby List.

Let's go through how our booking system works and how you can improve your chances of getting on the outings you want to go to.

As you're aware, bookings for the following month open at 8am sharp, on the 2nd Tuesday of each month.

THE ONLY EXCEPTION TO THIS IS OUR OVERNIGHT TRIPS and MATINEE SHOWS.

As soon as you receive your newsletter, you can submit an expression of interest in the trip. The reason we do this is to get a clearer indication of whether we can fill the spots we have.

Bookings are confirmed on a first-come, first-served basis, based on the time your call is received.

We're working on better communication so that you know if you're confirmed on a trip.

If you are placed on standby, don't lose hope, anything can and does happen, and you may well find yourself with a spot!

Connect FM 100.9 is your local community radio station, operating 24/7 by unpaid volunteers from their state-of-the-art Padstow studios.

2023 was an exciting year for the station, celebrating 40 years of community radio in Bankstown area.

The station is non-for-profit and promotes harmony, diversity, contributes to an inclusive, cohesive and culturally diverse Australian community.

Connect FM 100.9 is the voice of OUR local community, with programs produced by locals for our locals. To view our latest program guide visit [www.connectfm.au](http://www.connectfm.au)

Connect FM 100.9 – “Connecting the Community”

In March, we have the opportunity to visit the studio and see the team live at work!

## Matinees ARE HERE!

After our recent Client Feedback Survey, it's clear that many of you are keen to see some shows at the theatre.

Matinees are the perfect opportunity to experience some of the exciting productions Sydney has to offer and we're very excited to announce our first one in March.

Shen Yun has been extremely popular and will have a very short run. We have a limited number of tickets available, and the seats we get are general admission, meaning those using mobility aids may not be able to access them.

Please speak to our friendly bookings team for more information, and we'll do our best to help!

# A NEW AGED CARE ACT – NOVEMBER 1ST 2025

The long-awaited new Australian Aged Care Act (the Aged Care Act 2024) started on 1st November 2025, replacing existing legislation to create a stronger, rights-based system that prioritises older Australians.

## What's Changing?

- **Your Rights Come First** – Older Australians are placed at the centre of care.
- **Statement of Rights** – a clear, legally binding list of your rights, including independence, privacy and access to safe, high-quality care.
- **Better Care Standards** – Stronger rules to ensure care meets your individual needs.
- **More Oversight** – Providers will be monitored more closely to make sure they meet their responsibilities.
- **Help with Decisions** – You can choose someone you trust to support you in making care decisions.

## What This Means for you

- **For Older People** – More dignity, respect, privacy, and choice in your care.
- **For Families & Carers** – Peace of mind knowing your loved one's rights are protected.
- **For the Community** – A clearer and fairer aged care system that works for everyone.

## What Are We Doing?

The team at Bankstown Canterbury Community Transport has worked hard to ensure we are ready for the new Act, and we continue to do so.

This includes updating our policies and procedures to reflect the new requirements, staff training and briefings so our team understands your rights and the new care standards.

**We are committed to providing safe, respectful, and high-quality services under the new Aged Care Act.**

## THE STATEMENT OF RIGHTS

The Statement of Rights clearly identifies your rights when seeking or receiving aged care services. Under the Aged Care Act 2024, your provider and aged care workers are legally obliged to deliver services in line with these rights.

- ✓ **Autonomy & Freedom of Choice**
- ✓ **Equitable Access**
- ✓ **Safe, Quality Care**
- ✓ **Privacy & Confidentiality**
- ✓ **Communication & Complaints**
- ✓ **Support & Social Connections**
