### **Coojee Beach**

Coggee is a relaxed coastal suburb within Sydney. There are laid back pubs and bars on the beachfront, while the surrounding streets are filled with alfresco cafes

### **Wrap With Love**

We are visiting the Wrap with Love warehouse in Alexandria to drop off the knitting squares you have been donating throughout the year so they can be made into blankets for charity. You can also meet the volunteers there to learn more about how the charity works.

### **Newtown Shops**

There are loads of quirky shops within this area. Come take a look around and have a little shop. We will also have lunch in one of the local cafés—there are plenty to choose from.

### **Tanglin Lodge Alpaca Farm**

We will travel to the hills of Tennyson where we will enjoy a lovely gourmet BBQ lunch surrounded by alpacas at this family run lodge. Following lunch, we will have a talk on Alpacas and you may even have a pat if you wish. There is also a store onsite for you to purchase alpaca goods.

### **The Acres Club Greenacre**

A newly renovated club with great facilities in Greencare. Come and enjoy a lovely lunch with your friend

### **Woronora River RSL & Citizen Club**

A little club down on the beautiful Woronora River we will enjoy lunch at the Chinese restaurant bistro with the RSL Club

### **Beverly Hills Cinemas**

Event Cinemas Beverly Hills offers all new release movies in their up to date theatres. Please keep an eye out in the buses closer to the date to see what movies will be showing.

### **Vaucluse House**

Is one of Sydney's few 19th-century mansions still surrounded by its original gardens and wooded grounds. When the towering colonial explorer and politician William Charles Wentworth bought the house in 1827, it was a single-storey cottage in a secluded valley. In 1915 it became Australia's first official house museum.
